MASTER OF SCIENCE IN ACCOUNTING

MENDOZA COLLEGE OF BUSINESS

UNIVERSITY OF NOTRE DAME

STATE OF THE MARKET

At Notre Dame Mendoza College of Business, we are dedicated to preparing our Specialized Master's students to thrive in today's evolving business landscape. Our career development philosophy centers on equipping students with the skills and mindset needed to adapt to market shifts and build fulfilling careers. Through customized support and individualized coaching, we empower our students to understand their strengths, engage with industry leaders, and confidently pursue their professional goals. The enduring strength of the Notre Dame network, coupled with our proactive engagement with employers, ensures that our Specialized Master's graduates are highly sought after by organizations seeking talented and values-driven individuals.

Notre Dame's Mendoza College of Business is committed to developing leaders who drive meaningful change in today's business world. This employment report highlights the dedication and determination of our students as they invest in their career growth and leverage their strengths, experiences, and values to create opportunities that maximize their impact.
